

Fellow Students!

It is TIME! It is time for us, as TJCSGA students to come together to lend a helping hand to our fellow Americans. Hurricane Katrina has devastated the Gulf Coast, as well as on the entire United States. There are millions of people just like us (children, mothers, fathers, entire families, and students), facing this horrific tragedy. They need our support and assistance.

“We must come together, to share together, to work together, so that we can continue to succeed together!”

Let us all unite as the family that we are, and contribute to the America Red Cross relief efforts. Student Governments across the state have teamed up with Phi Theta Kappa in raising money, clothing, and other perishable food items for these suffering families.

As great leaders of TJCSGA we are sure that you have taken the initiative in gathering funds and items to help people affected by this tragedy. We thank you for your wonderful humanitarian efforts and applaud you greatly for your efforts. We ask that you post your contributions and details on the forum so that we may gather our donations as a whole.

For those who may need information on getting started: Contact your advisors and American Red Cross to facilitate a Hurricane Katrina Disaster Relieve Fund on your campus!

For more information you can visit The Federal Emergency Management Agency at www.fema.gov. The American Red Cross opened a telephone hotline on Sunday to receive for donations from citizens or you can donate on their website. The number is 1-800-435-7669. Other information on Red Cross emergency programs is available at the Red Cross Web site www.redcross.org

Take care and feel free to contact the executive board members with any comments or concerns.

Sincerely,
Nathalia Giraldo
